

SHAPING THE FUTURE OF BUSINESS

OUR NEXT CHAPTER

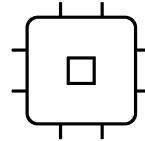

As an elite Brazilian full-service law firm, Cescon Barriau combines over two decades of technical prestige with a forward-looking vision to guide your most complex transactions and high-stakes disputes.

For over 25 years, we have evolved alongside our clients, driving Brazil's business environment and technological transformation. With more than 80 partners across the country's key economic hubs, we advise major global financial institutions and Latin America's leading companies. We are the Legal Intelligence Center for the digital revolution.

LEADING THE DIGITAL REVOLUTION

Our distinction lies in merging full-service capabilities with a sharp focus on the industries of tomorrow. We boast the largest and most specialized legal technology team among Brazilian big law firms.

We stand at the forefront of the regulatory agenda for AI, data privacy, cybersecurity, and digital assets, turning technological complexity into a real competitive advantage for your business.

GLOBAL APPROACH, SECTORAL EXPERTISE

With an international DNA and a borderless approach, we deliver integrated, global service through four dedicated regional desks: APAC | EMEA | LATAM | US/CAN.

This global outlook allows us to generate strategic impact and tailored solutions across the economy's most dynamic sectors:

ENERGY

FINANCIAL SERVICES

LIFE SCIENCES

MINING

OIL & GAS

TECHNOLOGY

SYNERGY AND STRATEGIC PARTNERSHIP

We believe the most sophisticated legal solutions are born from true integration. Our barrier-free culture ensures that multidisciplinary teams work in perfect alignment with your ambitions. Driven by agility and transparency, we deliver high-caliber strategic counsel that anticipates market shifts and unlocks sustainable growth.
